

## Food Truck Vendor Application

We'd love for you to join us at the 1st Annual Goodwood Festival. This year's theme is a Festival of Food, and it is based on gathering a group of unique food trucks and vendors at the Goodwood Kartways Race Track — just outside Stouffville on September 22, 2019. The event will run from 10:00 am to 7:00 pm with up to a dozen of the GTA's favourite food vendors lining up in the Goodwood paddock.

This is Goodwood Kartways' first community event in its 50 year history that is not motorsport related, and it the track's gift back to our growing community. But not to worry, there will be karts available for rental and a sponsored race to close out the day.

As this is the first event of its kind at Goodwood, the event will be free to the public. The event will be promoted aggressively online for 10 weeks leading up to the event with targetted Facebook ads, partnership and promoted social media posts, banners on sponsor print ads, ads at the facility, and local bags signs. To ensure a minimum take for our vendor partners at this event, we will begin the day by hosting an arrive-and-drive event which attracts our largest crowd of young racers and their families for the week every scheduled Sunday.

To show our support for the community, this kick off event will be a green one. The Goodwood Festival will produce only biodegradable waste and use 100% recyclable material.

In line with this initiative, we ask that all vendors take steps towards promoting sustainability in food service on event day to help reduce our waste a gathering such as this can produce.

We ask that all vendors try to comply with our green initiatives, therefore the following items are not recommended at the event:

- PLASTIC UTENSILS • PLASTIC STRAWS
- STYROFOAM • PLASTIC BAGS

Any non-recyclable or non-compostable material created by your truck on event day must be taken with you prior to departure. You can dispose of all recycling and compost at our designated waste stations at the end of the event.

### TOP WAYS TO REDUCE YOUR IMPACT:

- Fiber-based food containers
- Fiber-based cups – for hot beverages
- Wooden utensils
- Paper bags – ready for take-out
- Paper napkins
- Bottled water and canned pop in recyclable containers
- Plastic recyclables – for cold beverages

## Event Registration Form:

*Please complete all the pages in this registration form and return to [melanie@goodwoodfestival.ca](mailto:melanie@goodwoodfestival.ca) by August 20th, 2019*

Goodwood Festival organizers may ask for proof of truck generator make and model on the day of the event; this is usually found in the owner's manual. We ask that generator decibel levels be in accordance with noise ordinances of 90dba. If you are uncertain of your generator decibel rating you can do a quick test by downloading a free Sound Meter App in the App Store.

The Goodwood Festival event coordinator will check decibel levels at our discretion, if your generator is not in accordance with noise by-law we will ask you to shut off your generator and if possible share a generator with another exhibitor. We may also have a backup generator and electrical hook-up on site.

I have read and understood the above \_\_\_\_\_ Date: \_\_\_\_\_

All trucks must have any required food licensing in place by the date of the event.

### Event Fee: \$300.00\*

A non-refundable deposit of \$100.00 is required with the application submission by no later than Tuesday, August 20, 2019. The remaining \$200.00 must be paid in full by Friday, August 30th, 2018. If payment is not received by this date, you will forfeit your spot at the Goodwood Festival event and it will be offered to the next vendor on the waiting list. Once payment is made in full it's non-refundable and if you are unable to show up on event day we will not authorize a refund. The earlier you register the sooner we will profile and link to your business on our website, social posts and Facebook ads, so don't delay.
